

CURRICULUM VITAE

Born 26.03.1964 in Mexico City
Marital status Married with one child

Technical focus:

- ETL Datawarehouse processes
- Talend Enterprise Data Integration Professional edition
- IBM InfoSphere Datastage
- Oracle Warehouse Builder
- Informatica Powercenter
- Databases Design
- Oracle PL/SQL
- Oracle Forms
- Oracle Reports
- Oracle Database Administration
- Veritas Cluster Server
- UNIX, Linux Shell Script
- Job Scheduling / Cronacle Redwood
- Performance Tuning
- Migration

Occupational activity

Since 01/2009 Freelance - IT Consultant

Projects as Freelance:

Period: 04.2013- actual
Branch: Finance
Regulator: BaFin
Tasks: • Development ETL processes for proceeding: MBR, NLP and EFT
 • Process cleaning duplicates in basic claims data
 • Migration of ETL processes from version 7.5.3 to 9.1.2
 • Support Production DUMA25
Technology: DataStage Director, Designer and Administrator von IBM
 Aqua Data Studio, Squirrel SQL, DB2 Datenbanken, AIX Servers
Role: ETL Expert
Project communication: german

Period: 09.2012- 01.2013
Branch: Finance
Company: SEB
Tasks: • Development of ETL processes
 • Analysis and definition of separation criterions for private and business clients.
Technology: Talend Enterprise Data Integration Professional edition, Sybase PowerDesigner,
 Toad Data Modeler, Mysql Datenbank, Linux Server
Role: Senior Business Analyst
Project communication: german/english

Period: 11.2011- 08.2012
Branch: Finance
Company: Commerzbank
Tasks: • Development of ETL processes
 • Implementation of Process NOS stabilistion
Technology: Sagent Design Studio 6.5 und Sagent Automation 4.0 von PitneyBowes
Role: ETL Datawarehouse Developer
Project communication: german

Period: 10.2009-11.2011
Branch: Finance
Company: Degussa Bank
Tasks: • Development of ETL interface Kordoba Datawarehouse
 • Development of ETL interface XML Documents
 • Performance Tuning of ETL Interface PKS
 • Tests
 • English documentation
 • Transformation routines (Basic language)
Technology: InfoSphere Datastage Director, Designer and Administrator from IBM, Toad, Linux
Role: ETL Datawarehouse Developer
Project communication: german

Period: 06.2009-07.2009
Branch: Pharma
Company: Boehringer Ingelheim Pharma GmbH & Co. KG, Ingelheim
Tasks:

- Load routines
- ETL processes
- Packages and Procedures with PL/SQL, SQL
- Tests
- Cube Generation

Technology: Oracle Warehouse Builder, Sybase PowerDesigner, PL/SQL Developer, Linux
Role: Datawarehouse Developer
Project communication: german

Period: 03.2009-03.2009
Branch: Informatik
Company: IBM Mittelstandssysteme GmbH, Meerbusch
